

PURIFYING DETOX MASK
-PEEL OFF SHAKER MASK-

Skin Types: all skin types

PURIFYING DETOX MASK is a highly effective detoxifying and revitalizing treatment, counteracting free radicals and increasing the longevity of the cells.

It protects the skin by sweeping away toxins and visibly improves the look of pores.

It works like a vacuum to absorb excess oil and dirt, while plant extracts smooth skin's texture and improve hydration. Skin looks fresh, clear and bright.

Active charcoal has a high capacity to detoxify and to remove impurities and toxins from the skin.

Leaves the skin smooth and supple, and refines the pores for a clear complexion.

This high quality PURIFYING DETOX MASK is a powder mask and has been developed specifically to be integrated into a treatment regimen, but can also be offered separately as an individual treatment. Combined with a serum or ampoule (applied on the skin before the mask is applied on top) it transforms this treatment into an exclusive experience for your customers. These masks are multi-functional and can also be used as partial body treatments.

Benefits: deep cleansing, moisturizing, revitalizing, pore refining, leaves skin soft, smooth and with a fresh feeling

Active Ingredients:

Carbon (activated charcoal)

- highly absorbent - allows to retain impurities and toxins. It is able to remove impurities and to sweep away sebum excess
- neutralizes acidity
- restores PH levels
- prevents acne

Anti-pollution complex

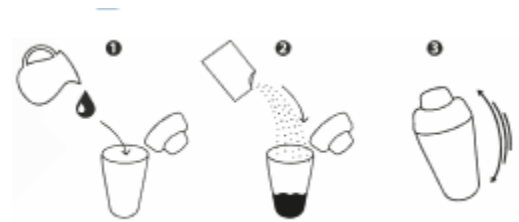

- composed of ivy, sunflower and rice bran, it protects cells from toxics and strengthens the skin's barrier effect

Alginate (a natural substance extracted from seaweed)

- gives the powder mask an elastic, firm consistency after mixing (peel off effect)
- moisturizing, firming, lifting effects

How to use:

- ①. Pour 100ml of water at 20°C (room temperature) in the shaker.
- ②. Open the sachet and add the 25g powder to the water.
- ③. Shake for few seconds until the mixture is solid. Immediately apply mask on face, neck and décolleté avoiding the eye area.

Important note: please do not pour PEEL OFF MASK residues into the drain. Always allow mask residues to dry in the shaker and dispose them in refuse bins.

APPLICATION:

- 1) Cleanse face, neck and décolleté with appropriate cleanser
- 2) Evenly apply the mask onto the face, neck and décolleté in upwards strokes using a spatula. Avoid eyes and mouth.
- 3) Allow the mask to work in for 15 - 20 minutes.
- 4) Peel the mask off in one piece and remove residues with moist sponges if necessary.
- 5) Follow with corresponding products and treatment
