

WELLNESS & SPA

TROCH SMART

Ref. WKS029+.4.A26.HT

SPA table with 4 motors that adjust the height, backrest inclination, footrest, and the entire structure. Over 12 cm of ultra-comfortable padding, upholstered in high-quality white PU. One-piece mattress with 3 sections and integrated heating. Adjustable armrests and headrest with face hole. The base is made of natural wood, offering a warm and inviting feel.

Design, comfort, and warmth in one space. A spa table that envelops, adapts, and elevates every treatment to the next level.
